Brand Name: Nude Alchemy Skincare

(Effortless, science-backed skincare for a healthy glow.)

Deliverables Social Media Campaign – Under Eye Serum Product Launch

Objective: Drive awareness, engagement, and conversions for Nude Alchemy’s newest under-eye serum, **Lumin Eye Serum**. The campaign focused on **key product benefits**—hydration, de-puffing, and fine-line smoothing—while maintaining the brand’s **minimalist yet skincare-savvy** voice.

Strategy:

- **Instagram & TikTok:** Created engaging, ingredient-focused content with short-form video and captions that resonated with a **skincare-conscious audience**.
- **Instagram Stories & Paid Ads:** Designed compelling, swipe-up CTA ads emphasizing the **instant effects** of the serum.
- **Influencer & UGC Integration:** Encouraged organic testimonials and user-generated content showcasing real results.

Performance Metrics: (Hypothetical)

- **10K+ engagements** within the first week of launch.
- **25% increase in website traffic** from social media.
- **High conversion rate from Story ads** featuring before-and-after comparisons.
